New Yorkie Owner

The complete checklist

Everything you need to buy and know before bringing your Yorkie home. 17 hand-picked products, all linked to Amazon.

Congratulations on your new Yorkie. **This checklist covers everything** you need to set up a safe, happy home from day one. Each product has been chosen carefully, and every link goes straight to Amazon so you can shop without the guesswork. Welcome to the Yorkie family.

Your First Week

- Keep things calm. No big gatherings or loud events for the first few days.
- Set a routine immediately. Same feeding times, same walk, same bedtime.
- Book your vet appointment within 48 to 72 hours of bringing them home.
- Watch for hypoglycemia. Tiny puppies need to eat every 3 to 4 hours.
- Start crate training from night one. It is kinder long-term than you think.
- Take a million photos. They grow up faster than you expect.

01 Sleeping & Comfort

❑ Furhaven Orthopedic Dog Bed

Washable, orthopedic, non-slip. Yorkies sleep better when they feel cozy and secure. "Perfect for Yorkies! The washable cover is a lifesaver and my Yorkie never wants to leave it."

❑ Pet Water Fountain

Yorkies often don't drink enough from still bowls. Moving water encourages hydration.

“My Yorkie ignored her bowl but loves the fountain. Hydration sorted.”
